NJ Gold Star Family Monument—Paver Order Form

As part of our fundraising efforts for construction and future maintenance we are offering the ability to purchase personalized pavers to be installed prior to the Dedication. Select a paver from the following. Please complete the correct Paver Information Grid based on the size/option of paver chosen. To ensure accuracy, please print clearly indicating precise verbiage to be engraved on the paver. Each space and punctuation mark counts as a character. (Note—pavers ordered may not be ready and in place for the Dedication on September 27th, 2015, but will be placed at the earliest opportunity).
